#### FEE DISCLOSURE STATEMENT

If you choose to be represented by an attorney, your attorney's fees will be deducted from your benefits. The fee will be approved by the Workers' Compensation Appeals Board with consideration given to the: (1) responsibility assumed by the attorney; (2) care exercised in representing you; (3) time involved; and, (4) results obtained.

Attorney's fees normally range from 9% to 15% of the benefits awarded.

There are certain circumstances where your employer (or his/her insurer) may be liable to pay your attorney's fees. For example, if the employer disputes a permanent disability evaluation obtained when you were not represented by an attorney, your employer may be liable for any attorney fees you incur because of the dispute.

If at any time you no longer wish to be represented by the attorney, you may withdraw from representation by notifying the attorney. If you withdraw from representation, the fee amount found by a workers' compensation judge to be the fair value of any work the attorney did in your case will be deducted from your award.

Your case is being filed at the Division of Workers' Compensation at the following location: ANAHEIM (AHM)

# The employee has been advised of the district office at which his or her case will be filed and that he or she may be required to attend conferences or hearings at this location at his or her own expense.

An Information and Assistance Officer may be able to answer your questions concerning your workers' compensation benefits at no charge to you. The Officer may be able to resolve your problems without the need for litigation.
