Dear Counsel

I spoke to my client and he is agreeable to the mediation if we cannot settle this case independently. He is making an offer of \$10,000 to settle all issues. Please take in consideration that your client was a manager, he was the one who was preparing documents for payment, giving the accountant all numbers for the payroll. If he is claiming that he was not properly paid, it was perhaps he was doing some miscalculation whether intentionally or not. There are many other issues involved, and my client is considering filing a counter-complaint. Based on hereinabove, my client is considering that \$10,000 is a generous offer. Please let me know what is your position on that. You can always reach me at my cell 310 707 8098

Thank you for your cooperation

I think it is overdue also, meaning all objections are waived.](#)

Hi Counsel

I am an attorney who would potentially represent the defendants in the above case. I just received all the paperwork, and would like to ask for an extension so I can review the case. Also I would appreciate an opportunity to discuss the case with the handling attorney to evaluate a possibility of an early resolution.

Please let me know when is a good time to call

THank you
