Dear Counsel for Respondent:

We have not yet received payment from the employer to cover their portion of the filing fee, as described in our letter dated May 30, 2023. **Please note in accordance with California Code of Civil Procedure 1281.97 and 1281.98, the AAA will close its case on June 29, 2023 if payment is not received.** The employer's share of the fee is due regardless of whether the case settles or is withdrawn.

We hope that this situation does not escalate to this level, but we want you to be aware that it is the policy of the AAA that if an employer does not comply with our request to pay the administrative fees stated in the Employment/Workplace Fee Schedule, the AAA may decline to administer future cases involving that employer. In addition, the employer may be requested to remove the AAA as the provider organization from their employment arbitration clauses.

Please note payment should be submitted by credit card or electronic check. A secured paylink will be forthcoming with instructions to submit payment via either method.

Please email employmentfiling@adr.org if you have any questions and we will be happy to assist you.

Sincerely,

Employment Filing Team
